

IMPORTANT NOTE

Due to a problem with one of our suppliers, we have had to use a different cable in the assembly of this Aqua PC.

The wire colours of two of the wires (**highlighted**) are different to those in the User Manual and you should refer to the colour table below for the Power/Data cable....

RED	-	Power + (12v or 24v)
BLACK	-	Power – (0v)
WHITE	-	COM 1 TX+
YELLOW	-	COM 1 RX +
GREEN	-	COM 1 Ground (-)
BROWN	-	COM 2 TX+
BLUE	-	COM 2 RX+
PURPLE	-	COM 2 Ground (-)
